

RCO-GB + FR-BB or FL-BB

Product Description

Disabled refuge outpost. Type B. Flush mounted green hands free unit. Photo luminescent front panel, Braille identification, Vandal resistant, integral audio frequency induction loop (AFILS) and Tactile text. Flush unit has a galvanised steel back box. A call is made by pressing the large momentary push button. This will illuminate the panel mounted 'call registered' red led, and initiate a conventional telephone call tone from the panel loudspeaker.

Dimensions

Flush back box 225mm (H) x 152mm (W) x 50mm (D)

Green panel 260mm (H) x 185mm (W) x 1.5mm (D)
