

ORB-R-RS2F

Product Description

The Orbital RS2 is a simple two way disabled refuge system. Flush mounting galvanised steel back box enclosure with a stainless steel panel with black screen print. The master panel has two separate blue call indications for each disabled refuge location. The master panel can answer or call out by lifting the master handset. Once connected a clear full duplex audio conversation can take place. The call is ended by replacing the master handset. The disabled refuge outstations are radially wired in '2' core '1.5' mm enhanced fire rated cable. A volt free changeover contact is provided for remote call in and fault reporting. A fire panel inhibit input is also fitted as standard. Battery support 24 + 3 hours. Fully compliant to BS5839 Pt9 and CE 2019 certified.

Dimensions

Front panel 307mm (H) x 224mm (W) x 1.5mm (D)
Flush back box 287mm (H) x 204mm (W) x 83mm (D)
