

RCO-WR-R or RCO-WR-L

Product Description

Disabled refuge outstation. Type B. Surface mounted only stainless steel hands free unit with black screen print. IP33 rated for use in covered outdoor space environments, vandal resistant and integral audio frequency induction loop (AFILS). A call is made by pressing the large momentary push button. This will illuminate the switch ring (RED) 'call registered' and initiate a conventional telephone call tone from the panel loudspeaker.
